

Towson Area Citizens On Patrol, Inc.
7300 Yorktowne Drive, Towson MD 21204

October 2, 2018

Dear TACOP Supporter,

It's with a heavy heart, Towson Area Citizens On Patrol, Inc. is announcing the dissolution of our organization. Our corporation will dissolve on December 31, 2018.

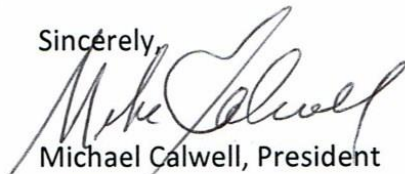

The mission of TACOP, Inc. is educating the community on crime prevention, supporting the locally operated citizen on patrol groups and outreach in the community. While these organized activities will no longer be provided by TACOP, there are still active citizen on patrol groups in many communities in Precinct 6. This will not change. And, they will still need your support.

Our group was started in 2000 by the tenacity of two Towson residents; Janice Arcieri and Pat France. They had the vision to realize they were more effective combining efforts and sharing information than operating their Citizen On Patrol groups independently. Later, in 2011, we became a 501c3 corporation. This allowed us to refine a lot of our group's processes and offer a tax deduction to our generous supporters.

Towson neighborhood C.O.P. groups will continue to operate independently with support from Baltimore County Police. We encourage you to support or start your communities C.O.P. groups. These groups DO make a difference. Many of you are familiar with Police and Community Relations Council, Precinct 6 (PCRC06). Pat France will continue her advocacy for Citizens On Patrol by participating with PCRC06. You are welcome to contact Baltimore County Police Community Outreach for more information; Officer Amanda Halley, 410-887-5933.

If you have any questions, feel free to contact one of us. We'd love to see you at our final Holiday Party, December 3, 2018 at Pat's house. We will acknowledge many of the people who have helped to make our community safe. There is a lot to celebrate!

Sincerely,

Michael Calwell, President
